ANNOUNCEMENT

RE: BCCF Bear Aware Program

After many years of service, Jacques Drisdelle has resigned as the Provincial Coordinator for the Bear Aware Program.

The operations of the BCCF Bear Aware Program are moving to our Kamloops office. Please contact Barb Waters, Regional Manager, in Kamloops for information regarding any component of the Bear Aware program.

Please be re-assured that the BCCF Bear Aware program is still active and vibrant under the direction of Barb Waters and Joanne Siderius, Bear Aware Supervisor. We will be sending out RFP's to communities in the new year for the 2010 season.

We would also like to advise that the BCCF Bear Aware Provincial Coordinator position is vacant. Please watch for the position posting on the BCCF website at: <http://www.bccf.com/>

Yours in Conservation

Deborah Gibson
Executive Director
